

Health Card Application Process

A beneficiary can walk into any District Kiosk and empanelled Hospital Registration Centres to register themselves under the scheme. They must provide a valid government issued Photo Identity Card for personal registration. To add members under the family, the beneficiary must provide supporting documents as proof of relation between members of the family such as Marriage Certificate, Birth Certificate, Ration Card or Headman/Village Certificate.

Upon completion of registration, the beneficiary will be handed an individual PMJAY/MHIS card.

Any one of the documents in each section are required during the Registration Drive:
